

PROMET

SPA-WELLNESS

Heat^{Inc.}

Promet Foreign Trade & Const. Inc. was established in June 1993 in Istanbul, Turkey, representing major construction material suppliers from Europe in the territory of Turkey, Russia and CIS countries.

By the end of 1997, Promet started its activities in Turkey marketing mainly sauna&steam&turkish hamam systems in domestic market and by the year 2005 has enlarged its portfolio by spa&Wellness design and applications and already started its activities in UAE and Europe.

Promet, having a wide experience with hundreds of successful projects, has been serving to its customers in sales, project consulting, installations and after sales services.
